

## What is the Convoy of Hope?

On Saturday June 23, 2012, Convoy of Hope, in concert with area churches, service agencies, businesses, medical service providers and some 1,500 volunteers; will provide a day of help and support for thousands of needy individuals in Lake County. Convoy of Hope has distributed over 40,000,000 lbs. of food, water and supplies to over 10,000,000 guests in 70 countries and has been among the first responders in Japan, Haiti, Alabama and Missouri.

The **Lake County General Health District** and **MedWorks** have partnered to help bring medical help to Lake County. On **Saturday June 23<sup>rd</sup>, 2012 from 10:00 AM to 3:00 PM at the Lake County Fair Grounds** there will be **FREE MEDICAL CARE** for those in need.

**MedWorks has 15 Doctors, 20 nurses and 6 social workers volunteering to provide medical exams and will have Specialty Doctors in the area of:**

- Ears, Nose, Throat (ENT)
- Urology (bladder and urinary issues)
- OBGYN (Prenatal and Women's Health)
- Pediatrics (Children)
- Rheumatology (Arthritis)
- Infectious Disease (bacteria, parasite, fungal infections)
- Surgery and Internal Medicine (other illness and disease)
- Social Workers to help link you with a health care provider for treatment

**To make this valuable service a success we NEED PATIENTS! Please let anyone that may be in need of medical care know about our event!**

## Dental Services:

Dental screenings and extractions will be provided on a first come first serve basis.

## Health Screenings:

The Lake County General Health District, The Convoy of Hope, and its community volunteers and partners will also be providing preventive health screenings at NO COST; blood pressure readings, blood sugar testing, body mass index, and more at the event.

## What is MedWorks?

MedWorks is a non-profit organization committed to improving access to healthcare for Ohio's uninsured and underinsured. MedWorks provides an innovative vehicle through which healthcare providers, corporate sponsors and other volunteers can provide free healthcare, education and ancillary services to the medically underserved. To date we have served approximately 5,000 individuals who have received over 9,500 medical services.
